Senator James C. Cleveland  
Senate Chamber  
State House  
Concord, New Hampshire

Dear Senator Cleveland:

You have asked whether the proposed amendment to S.B. 96 will affect an increase in transportation costs to the school districts. It is the opinion of this office that S.B. 96 and its amendment do not affect or enlarge the provisions of R.L., C. 135, ss. 6,7, which now provide for pupil transportation.

If I may be of any further assistance please feel free to call on me at any time.

Respectfully,

Arthur E. Bean, Jr.  
Assistant Attorney General
